SAM MINISTRIES

Mankind's greatest need = God's greatest desire = life's greatest pursuit!

Uncompromising love for God and unconditional love for people is this need, this desire, and this great pursuit. When lived out, it brings grass-roots change in families, churches and communities. This love is the fruit of Christ's work in us and it is infectious!

Our mission is to "live love out" in the isolated and neglected communities we serve so a revolution of transformation catches fire, and true discipleship results in discipline that brings development.
